Name of the Activity: Anchoring Workshop.

Day & Date: 23rd – 31st Jan (Friday to Saturday respectively)

Venue: Lawn, DYPCOE.

Targeted Participants: Team Members.

Summary

Total Number of participants	14

Objectives & Details of Event

1. To enhance spontaneous speaking and quick thinking abilities
2. To improve storytelling, narration, and audience engagement
3. To develop emotional expression and voice modulation skills
4. To train members in formal event scripting
5. To build confidence for handling real stage situations

Details of Event

23rd January – Impromptu Topics

Participants were given sudden topics to present without preparation. This session tested rapid thinking, structuring skills, and stage confidence under pressure. It significantly enhanced spontaneity and adaptability.

24th January – Self-Prepared Topics

Members selected and presented topics of their choice. Focus was on storytelling, voice modulation, pauses, tone variation, and strong narrative structure. Mentors provided constructive feedback.

25th January – Object ki Aatmakatha

Participants narrated stories from the perspective of inanimate objects. This creative challenge improved imagination, vocal inflection, and expressive communication.

26th January – Emotions

Each participant was assigned an emotion and tasked with delivering a script that made the audience genuinely feel it. This strengthened emotional depth and script alignment.

27th January – Contrasting Character Roleplay & Traditional Day Q&A

Participants performed roleplays with contrasting personalities, focusing on staying in character.The session also prepared members for Traditional Day Q&A rounds by designing creative and situational questions.

28th January – General Championship Scripting

Members drafted formal scripts based on a structured agenda. This session emphasized professional event scripting and formal stage management techniques.

29th January – Gender Swap & Backlog Activities

Participants performed humorous acts portraying opposite gender characters. This enhanced adaptability, creativity, and quick thinking skills.

30th January – Describe a Food Item

A sensory communication exercise where participants described food items vividly to engage the audience imaginatively.

31st January – Shayari & Swap the Script

Members recited Shayari and short poems focusing on delivery and pauses.
